STAT

1. It is requested that two instruments be added to extension [redacted] in room 520-A, and that the new number [redacted] be placed in that room on the same instruments. The extension of [redacted] located in room 524 and 524-A are to be disconnected and replaced by extensions [redacted]. A buzzer system is also requested between rooms 520-A, 524 and 524-A. These buzzers are to be arranged so that they will work both ways.
